

Fall / Winter 2018

Ambler Station Singers is a volunteer, non-profit Choral group founded to provide wholesome entertainment. Comprised of talented and energetic singers, we are based in Ambler PA and perform in the surrounding areas. We are looking for a few generous sponsors who share our love of music and will help our efforts to bring good quality music to our communities.

We sing together for the sheer joy of doing so, but more importantly, our mission is to give back to the community by performing concerts for all tastes and ages at retirement communities, local events and public concerts. As a non-profit group with expenses – insurance, professional fees equipment storage, practice site rental, music costs, etc., we need to raise funds each year to keep our audiences smiling. This is where you can help by becoming a sponsor of our group!

Sponsorship is a great way for you to increase your visibility in our community by adding your Company name and logo to all of our advertising and concert programming, as well as on our website. Since we are a **non-profit 501(c)(3)** group, your contributions are tax deductible and invested back into Ambler Station Singers, Thus you directly support the arts in our region.

Sincerely yours,

Liz Seltzer
